FRAMEWAVES, INC. AND SUBSIDIARY

(A Development Stage Company)

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Summary of Business and Significant Accounting Policies

a. Summary of Business

The Company was incorporated under the laws of the State of Nevada on December 23, 1985. The Company was formed to pursue business opportunities. The Company was unsuccessful in its operations. During 1993, Management determined it was in the best interest of the Company to discontinue its previous operations. The Company is considered to have re-entered into a new development stage on December 31, 1993. Because the Company discontinued its previous operations and is selling new potential business opportunities, the Company adopted quasi-reorganization accounting procedures to provide the Company a "fresh start" for accounting purposes.

b. Principles of Consolidation

The consolidated financial statements contain the accounts of the Company and its wholly-owned subsidiary, Corners, Inc. All significant intercompany balances and transactions have been eliminated.

c. Cash Flows

For purposes of the statement of cash flows, the Company considers all highly liquid investments purchased with a maturity of three months or less to be cash or cash equivalents.

d. Net Loss Per Share

The net loss per share calculation is based on the weighted average number of shares outstanding during the period.

e. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2. Quasi-Reorganization

December 7, 2000, the shareholders of the Company approved to adopt quasi-reorganization accounting procedures. Quasi-reorganization accounting allowed the Company to eliminate its previous accumulated deficit of approximately \$235,000 against additional paid-in capital. Therefore, the adoption of quasi-reorganization accounting procedures

8

gave the Company a "fresh start" for accounting purposes. The Company is also considered as re-entering a new development stage on December 31, 1993, as it discontinued all of its previous operations. These financial statements have been restated to reflect the change.

Stock Split

On December 27, 2000, the Company approved a 100 for 1 reverse split of the issued and outstanding common stock but no shareholder's ownership shall be less than 100 shares. An additional 43,394 shares were issued as a result of rounding up to the 100 share minimum.

The 100 for 1 reverse split has been retroactively applied in the accompanying financial statements.

Amended Articles of Incorporation

On December 27, 2000, the Company amended its articles of incorporation to change its name from Messidor Limited to FrameWaves, Inc. In addition, the Company decreased its authorized shares from 500,000,000 to 110,000,000 shares of stock of which 100,000,000 shall be designated common stock and 10,000,000 shall be designated preferred stock. At June 30, 2002, no preferred stock has been issued by the Company. The Company has the authorization to issue the preferred stock in one or more series and to determine the voting rights, preferences as to dividends and liquidation, conversion rights, and other rights of each series.

5. Issuance of Common Stock

On November 3, 2000, the Company issued 100,000 shares of its \$.001 par value common stock for an aggregate price of \$10,000. \$5,000 was received in cash and \$5,000 for services rendered.

6. Stock Options and Warrants

The Company has designated 2,000,000 shares of its authorized and unissued common stock to a future stock option plan. At June 30, 2002, there are no options or warrants outstanding to acquire the Company's common stock.

7. Acquisition of Subsidiary

On December 27, 2000, the Company acquired 100% of the outstanding common shares of Corners, Inc. in exchange for the issuance of 1,000,000 shares of its previously authorized but unissued common stock. Corners, Inc. was purchased at book value of \$910 or \$.001 per share. The acquisition has been accounted for on the purchase method and 100% of the purchase price was allocated to cash. Corners, Inc.

did not have any significant revenues or expenses during the year ended December 31, 2000; therefore, pro forma condensed statement of operations is not presented.

8. Income Taxes

The Company has had no taxable income under Federal or State tax laws.

DESCRIPTION OF BUSINESS

HISTORY

FrameWaves, Inc. (the "Company" or "FrameWaves") was originally incorporated under the name of Messidor Limited on December 23, 1985 as a development stage company for the purpose of engaging in all lawful transactions permitted under the State of Nevada, including the acquisition of various business opportunities to provide profit and maximize shareholder value.

On December 27, 2000, the shareholders, at a special meeting, changed the Company's name from Messidor Limited to FrameWaves, Inc. The shareholders also approved the acquisition of Corners, Inc. ("Corners"), a Nevada corporation, whereby the Company exchanged 1,000,000 shares of the Company's common stock for all of Corner's issued and outstanding shares of common stock. Corners had incorporated on November 17, 1998 in the State of Nevada to provide custom framing for interior designers in conjunction with business contacts provided by Corners' officers and directors. Since its inception, Corners has had limited operations due to its officers' and directors' other obligations, however, the officers and directors have maintained their business contacts with certain interior designers. FrameWaves intends to use Corners as an operating subsidiary and actively pursue the custom framing business by utilizing Corners' business contacts to procure contracts for future operations, and to engage in a comprehensive and aggressive marketing campaign, including but not limited to, soliciting unknown but potential business contacts through direct mailings, media, and other mediums that will generate leads to contracts for future operations

PRINCIPAL PRODUCTS AND SERVICES

FrameWaves principal product and service consists of providing customized frames to interior designers and retail consumers. This will be accomplished by interfacing directly with designers and consumers where they will be presented with a selection of FrameWaves' materials and styles in order to determine the type and quality of frame desired. FrameWaves will then customize frames to the clients' specifications. Such customization might entail the ordering, designing, manufacturing, or the subcontracting of work in order to meet the

10

clients' needs. This product and service will allow FrameWaves to be a complete and professional supplier of customized frames to the interior designers and retail customers. However, the Company is a development stage company with no operations and has yet to engage in any contract negotiations with frame suppliers, interior designers or retail consumers.

MARKETING

FrameWaves intends to market its product and service to interior designers and retail consumers through established business contacts of the officers and directors, direct mailing program targeting interior designers, and word of

mouth. FrameWaves might also market its products and services by advertising in widely distributed magazines that Management considers influential among designers and consumers. These advertisements will focus on FrameWaves' ability to be a complete and professional supplier of customized frames. However, the Company is in its development stage and has not yet launched any of the above marketing strategies, and there is no assurance that such marketing strategies will be launched in the future. Additionally, the Company cannot predict whether it will, in the future, be dependent upon one or a few major customers.

THREE MONTH PERIODS ENDED JUNE 30, 2002 AND 2001

The Company had no revenue for the three-month periods ended June 30, 2002 and 2001.

General and administrative expenses for the three month periods ended June 30, 2002 and 2001 consisted of general corporate administration, legal and professional expenses, and accounting and auditing costs. These expenses were \$2,386 and \$538 for the three-month periods ended June 30, 2002 and 2001 respectively.

As a result of the foregoing factors, the Company realized a net loss of \$2,386 for the three months ended June 30, 2002 as compared to a net loss of \$538 for the same period in 2001.

SIX MONTH PERIODS ENDED JUNE 30, 2002 AND 2001

These expenses were \$2,394 and \$5,558 for the six-month periods ended June 30, 2002 and 2001, respectively.

As a result of the foregoing factors, the Company realized a net loss of \$2,394 for the six months ended June 30, 2002 as compared to a net loss of \$5,558 for the same period in 2001.

LIQUIDITY AND CAPITAL RESOURCES

At June 30, 2002 the Company had total assets consisting of \$2,109 cash in hand and total current liabilities of \$4,017. At December 31, 2001, the Company had \$2,127 cash in hand and \$1,641 in total current liabilities.
